SUBJECT: RELEASE OF THE 2013-14 REQUEST FOR PROPOSAL FOR THE 21ST CENTURY COMMUNITY LEARNING CENTERS PROGRAM COMPETITIVE PROJECTS

The Florida Department of Education is pleased to announce the release of the 2013-14 Request for Proposal for competitive projects for the 21st Century Community Learning Centers program (21st CCLC), authorized under Title IV, Part B, of the Elementary and Secondary Education Act, as amended.

Florida’s 21st CCLC after-school programs are designed to help students throughout Florida meet state and local academic achievement standards in core academic subjects, particularly those who attend low-income, low-performing schools, by providing hands-on and engaging project-based learning activities.

These programs also provide youth development activities, such as drug and violence prevention, technology, art, music and recreation, as well as counseling and character development education.

Funding will be awarded through a competitive grant process based on the proposed implementation of high-quality, research-based academic improvement practices, through collaborative efforts and meeting the grant criteria.
Applicants are required to complete a funding workshop and submit proof of completion with their application. Applicants must also submit a Notice of Intent to Apply no later than 4:00 p.m. EST on Friday, July 19, 2013.

The Notice of Intent to Apply, the proposal application and all accompanying forms can be found by accessing the link below.

The proposal must be received by the Florida Department of Education no later than 5:00 p.m. EST on Friday, August 2, 2013.
